Zoskalus Logistics Services Provider PLC

Company Profile

Zoskalus Logistics Services Provider PLC:

Your Trusted Partner in Logistics

Company Background

Zoskalus Logistics Services Provider PLC, established in Mekelle Tigray, in the early of 2024, is a new logistics company driven by a vision to become a technology-powered leader in logistics services provision in the region. Our founders, a passionate duo with a combined background in engineering and supply chain management, understand the critical role logistics plays in Tigray's economy in particular and beyond economic development in general. They leverage their extensive experience (over a decade) and commitment to social change to lead Zoskalus towards a brighter future for Tigray and beyond.

The name Zoskalus is taken from the name of a famous king of the Axumite kingdom. This king is credited with establishing a maritime era for Axumite kingdom, transforming it into a powerful empire. He is also hailed as a visionary leader who expanded Axum's territory by land and sea, solidifying its glory. Some consider him to be the wisest leader the kingdom ever had. The King's reputations inspires us to name our logistics company after his name.

Vision

Utilizing Platform to offer Land, Air, and Sea logistics services within the next decade.

Mission

Making the movement of goods and services Easy.

Our Services

Zoskalus offers a comprehensive range of Logistics Services which includes delivery services to cater to the diverse needs of our clients, transportations, customs clearing and forwarding, packaging and warehousing. These services are interconnected one to other.

To explain our delivery services in details, lists are put here below.

Individual and Business Deliveries: We deliver parcels (mails, messages), groceries, burgers and pizzas, fruits and vegetables, injera, Hibishiti, Milk and dairy products, egg, laundry clothes,

medicine to patients, medical supplies and pharmaceuticals, medical reports, gifts, flowers, documents (bids, proposals, books, and letters), Newspaper and books, ATMs, forgotten keys, flash and memory card for video and photography works, supplementary materials for décor works, electronics, auto- parts, building materials, and more. We deliver the above lists and more for the intra city of Mekelle, inter cities of Tigray and beyond.

We have versatile packages to satisfy our clients demand both in time and space. We can arrange as per customers request whichever. Our environment electric motor bikes are modified and fashioned to provide the needed services to customers.

We also serve our customers same day delivery, next day delivery and other tailored packages from Mekelle to other Tigray cities, Addis Ababa and beyond.

Business Logistics: While the above listed packages (deliveries) can be also delivered to and from Businesses, We especially assist businesses with transportation management, covering areas like city buses, taxis, school buses, ambulances, waste disposal, and liquid transportation. We mainly arrange and facilitate service demanders and providers connect and business done.

As a logistics services provider, we connect and serve clients and suppliers through our accessible business platform and facilitate businesses demand and hence, we enhance efficiency and profitability.

Specialized Services: As a forward-thinking company, Zoskalus offers customs clearing, freight forwarding, supply chain management, material handling, warehouse management, order processing, procurement, packaging & labeling, and inventory control. Moving and Relocating of Materials is also our other specialized business.

Our Competence
